

The 10th edition of the **International Conference on Computer Graphics, Visualization, Computer Vision and Image Processing** (part of the IADIS Multi Conference on Computer Science and Information Systems) was held in Funchal, Madeira, Portugal, during **2 - 4 July, 2016**.

This conference was organized by the International Association for Development of the Information Society (IADIS).

Once more, the CGVCVIP conference tried to address the research issues in the closely related areas of Computer Graphics, Visualization, Computer Vision and Image Processing. Submissions were accepted under the following 5 main topics: Computer Graphics, Visualization, Computer Vision, Image Processing and Other Related Topics.

This edition was published jointly with International Conference on Interfaces and Human Computer Interaction 2016 and International Conference on Game and Entertainment Technologies 2016. These events received 192 submissions from more than 30 countries. Each submission was anonymously reviewed by an average of five independent reviewers, to ensure that accepted submissions were of a high standard. Consequently, only 29 full papers were approved which means an acceptance rate of 15%. A few more submissions were accepted as short papers, reflection paper, posters and doctoral paper.

Extended versions of the best papers were selected to be published in:

- ❖ the IADIS International Journal on Computer Science and Information Systems (IJCSIS). ISSN 1646-3692.

Besides the presentation of full papers, short papers, reflection papers, posters and a doctoral consortium, the conference program featured one keynote presentation given by Professor Alfred Inselberg (Senior Fellow San Diego, Supercomputing Center & Computer Science and Applied Mathematics Departments, Tel Aviv University, Israel).

Keynote Presentation:

VISUALIZATION AND DATA MINING FOR HIGH DIMENSIONAL DATA

by Professor Alfred Inselberg, Senior Fellow San Diego Supercomputing Center & Computer Science and Applied Mathematics Departments, Tel Aviv University, Israel

The conference proceedings was published in hard copy (ISBN: 978-989-8533-38-8) by IADIS Press.
